Helpful Hints for Parents

1. Make multiple copies of completed camp forms. You will need to turn in forms at each location for each session, and you may want a copy for your own records.
2. Be sure to put your name on the Pick-Up Authorization Form as an authorized individual even though you are the one completing the form.
3. Label ALL of your child's belongings, including child's lunch which must have child's name and the date on it.
4. Keep electronics at home.
5. Dress your child in play clothes and sneakers every day. Not permitted: sandals, wheelie shoes, flip flops, clogs and other shoes that may be unsafe for activity.
6. For your child's safety, do not drop off your child at the front door. Parents must sign children in and out of camp each day. An I.D. is required at pick up.

Refunds/ Transfers For Camps & Workshops

- Cancellations and transfers may NOT be done on the Internet. For operator assistance, call (703) 222-4664.
- If school make-up days extend into the camp week, FCPA will automatically credit your member account for camp days missed.
- There are no refunds for missed days due to changed work or vacation schedules, sick days or other non-emergency reasons.

Up to Two Weeks Prior to Camp

- Refunds and transfers must be requested at least 14 days prior to the camp session from which you are withdrawing. Transfers may only be made from one camp to another camp; not from a camp to a class or Rec-PAC.
- All but \$25 will be returned for approved refunds for each camp session refunded.

Within Two Weeks of start of Camp

- Refunds are not permitted for those who register within 14 days prior to the start of a camp session.
- Transfers cannot be made within the 14-day period before the start of camp.
- Within 14 days of the start of camp, refunds will be given only for medical emergencies with doctor's written verification as long as the verification is received BEFORE the camp begins.

Once Camp Begins

- If a medical emergency occurs during camp, a doctor's written verification will be needed within 24 hours for a pro-rated refund. Requests received after the camp session ends will not be granted.

About Our Staff

All our staff members are 18 years of age or older. Most are college students or teachers. All staff members are certified in first aid and CPR and have been through background checks, including police checks. All staff members attend an intensive training course before camp begins.

Staff to Camper Ratios: For school-age children, our camps maintain between 1:10 and 1:15 ratio. The state standards are 1:18, so FCPA provides more individualized attention with lower ratios. Preschool camps maintain a 1:10 ratio.

Extended Care Information

Before and after camp care is available at several RECenter/park locations. This service, for children 6 years and older, provides additional morning and afternoon care for campers already enrolled in camps on site. Campers stay in a safe environment and get to choose from supervised activities including board games, cards, drawing/coloring and age-appropriate movies. Camps ending before 4 p.m. are not eligible for extended care. Dates and times vary per site.

You can pre-register for Extended Care online. Visit www.fairfaxcounty.gov/parks or register by phone, 703-222-4664, or in-person at our RECenters and parks.

Flexible Packages: Packages are offered weekly – be sure to register for both weeks if your child’s camp is a two-week session and you need both weeks of care. Morning sessions allow you to choose between one- and two-hour options. There is also a daily, per session, drop-in rate for those who need last minute care.

Refunds/Transfers: Full extended care refunds are given if requests are made at least 14 working days in advance. There are NO refunds given within 14 days or once camp begins. Transfer requests, including transfers from one site to another, will be granted until the camp session for which the transfer is being requested begins.

Late Fee: \$1 for every minute after 6 p.m.

Other Important Information

- All “Kiddie” camps are licensed by the Va. Dept of Social Services, therefore require additional paperwork including an immunization record and physical form (copies accepted). In addition, Virginia law requires proof of child’s identity be shown upon arrival at some camps. Proof of identity may be a certified copy of a child’s birth certificate, a birth registration card, a passport, a copy of placement agreement, or a Virginia public school report card. School-based camps do not require licensure.
- Out-of-county residents are welcome to enroll in camps for the price of the camp plus \$15.
- Some weeks are designed for private school students who get out of school before Fairfax County students.
- Please check dates as number of camp days may differ.
- Inclement Weather and Code-Red Days: On code-red days, campers will engage in outdoor activities during the day while taking in plenty of water and several shaded breaks. Many of our camps are held outdoors. Please check with the site for more information. On rainy days or when substantial rain is expected, some outdoor camps may be canceled for the day.
- Pool Closures: Some RECenter pools may be closed in late August for maintenance and cleaning. Contact RECenter for details.
- Host a British soccer coach and get a free British Soccer camp or an \$80 voucher from British Soccer! Call (703) 324-8571 or visit www.fairfaxcounty.gov/parks/campforms for more info.
- School locations are subject to change and campers at RECenter camps may be bused to nearby schools for gym use.
- Register early! Camps must meet minimum enrollment to operate.
