

## Art Merit Badge Requirements

### Important information about how to prepare for any merit badge program at Huntley Meadows Park!

This program is 4 hours long, be sure to pack a snack and water for your scout. Because all boys work at a different pace I cannot be sure when the program will end I am available for the whole 4 hour timeslot though some boys may finish in 3 hours or less. Make sure you have a plan if he should finish early.

Bring to class:

1. Pre-work #4 notes for discussion of what you saw and where
2. Snack/ drink
3. Blue card
4. Something fabric to put your logo on for # 2
5. Favorite brush or pen (Optional) for #3

Merit Badges are in general not designed to be completed in an afternoon therefore in order to complete the badge there is some work the scouts need to do outside of the workshop. We call this prework. We suggest this is done prior to the badge program date but we realize this is not always practical or possible, in these cases we will if requested sign partial cards and accept the assignments after the program or we ask that your bring/ send back all the work and the card in order to sign off on the blue card all at once.

**FOR THE ART MERIT BADGE YOU CAN DO #4 OUTSIDE OF CLASS BUT OFTEN HUNTLEY HAS AN ONGOING ART SHOW IN THE AUDITORIUM SEE NOTES BELOW.**

Scouts can visit any of the Smithsonian art museums downtown without prior permission other smaller venues should be cleared through me ahead of time. Green spring gardens a Fairfax county park in Alexandria also has ongoing exhibits for viewing as well as Huntley Meadows Park often has an exhibit on site as well. **IT IS RECOMMENDED YOU CALL TO MAKE SURE THAT AN EXHIBIT IS CURRENTLY BEING DISPLAYED AT ONE OF THE VISITOR CENTERS BEFORE TRAVELING TO THE SITE.**

**5.** Find out about three career opportunities in art. Pick one and find out the education, training, and experience required for this profession. Discuss this with your counselor, and explain why this profession might interest you.

**Parents** ---Merit badges are supposed to be done with the buddy system. ***We highly recommend that you attend the program with your scout especially if he does not have a buddy;*** the chances of your scout completing all the work for the badge, during the allotted time, increases dramatically when he is properly motivated. There is never a fee for adults and you are sure to learn something. Also our policy is that the program will not proceed if there are not 2 or more adults present for the program especially those containing hikes. We will attempt to enlist adult volunteers from our center but this is not always possible so ***prepare for the possibility that you may have to stay for the program and not just drop off your scout.*** This will allow the instructor to concentrate more fully on the difficult task of imparting all the required information and assisting the boys individually if necessary, while other adults keep the atmosphere calm and productive.
