## Spotlight by Starlight

For more than 25 years, Mason District Park has welcomed audiences for the free summer Spotlight by Starlight concerts. The series now includes international-themed concerts on Saturday evenings at Ossian Hall Park in Annandale. The two venues offer music, children programs, dance, and variety from around the world, and close to home. I am very proud of both series, and hope you will visit again and again, all summer long.

See you at the park!
