Riverbend Campfire Features Creatures

Ever wonder why so many animals are seldom seen by humans? A great number of animals, insects, birds and reptiles rest in the daytime but become active after sundown. On Friday, March 21, 2008 from 6:30 to 7:30 p.m., gather the family around an evening campfire along the shores of the Potomac River to learn all about the wonderful creatures that hunt, fly, and creep around the woods at night.

Riverbend Park's premium location offers a spectacular wildlife experience for families and children of all ages. Arrive early with a picnic or hotdogs and cook your food over burning flames while snacking on delectable s'mores. Bring your own toasting sticks, a flashlight and a blanket. The cost is \$3 per person and reservations and advance payment are required.

Riverbend Park is located at 9700 Potomac Hills Street in Great Falls.

For more information, please call the Riverbend Visitor Center at 703-759-9018 or visit <http://www.fairfaxcounty.gov/parks/riverbend/>
