Planning Workshop Scheduled for Westgrove Park

The Fairfax County Park Authority will hold a public planning workshop for Westgrove Park on Monday, February 28, 2005 at 7 p.m. in Whitman Middle School. The meeting will take place in the school lecture hall and will mark the continuation of the planning process for this community park. An initial meeting was held this past summer.

Planners hope that residents will join in the discussion concerning this 21.3 acre property located at 6801 Fort Hunt Road in Alexandria. This public meeting gives interested citizens a chance to discuss design alternatives. Staff members will briefly present information concerning the site background, pertinent issues and suggested design alternatives. The goal is to establish a sense of how the park can best meet the community needs for the future.

Whitman Middle School is located at 2500 Parker's Lane in Alexandria. The Park Authority will accept comments at the meeting as well as by mail and e-mail. E-mail comments to Parkmail@fairfaxcounty.gov or mail them to Manjula Nandiraju, project manager, 12055 Government Center Parkway, Suite 421, Fairfax, VA 22035. For more information call 703-324-8755.
