Construction to Begin on Ashgrove Lane Trail

The Fairfax County Park Authority will begin construction on a project to repair, replace, and resurface approximately 465 linear feet of the Ashgrove Lane Trail in Old Courthouse Spring Branch Stream Valley Park.

The contractor, Environmental Quality Resources, LLC, will be mobilizing on site on or about June 6, 2014. Access to the site will be from Northern Neck Drive. Construction will take approximately one month, depending upon the weather.

Residents should expect occasional construction traffic with equipment and materials through Westwood Village and construction equipment on the trail during the construction period. As a safety precaution, the existing trail connection to Irwin Street will be intermittently closed to users during the project and signs will be posted accordingly.

The project costs are \$118,000, funded through the 2012 Park Bond.

Please contact Project Manager Liz Cronauer at Elizabeth.Cronauer@fairfaxcounty.gov or by phone at (703) 324-8629 if you have any questions regarding this work. For more information you may also visit online at www.fairfaxcounty.gov/parks/trailsframe.htm.
