Trail Improvements to Begin at Pine Ridge Park

The Fairfax County Park Authority will start construction of 1,200 linear feet of asphalt multi-use trail connecting Chivalry Road and Pine Ridge Park. This project consists of improvements to a portion of an existing footpath currently used by residents through the woods in Pine Ridge Park to the athletic fields. The 2008 Park Bond provides funding for this project.

The contractor, Accubid Construction Services, Inc., will be mobilizing on site within the next several weeks. Construction will start this month and, contingent upon the weather will be completed in the fall of this year. Construction time will be approximately four months. Construction access to the site will be from the parking lot in Pine Ridge Park.

Residents should expect occasional construction traffic entering the parking lot. In addition, construction equipment will be present on the trail during construction and the public sidewalk connection to Chivalry Road. As a safety precaution, portions of the existing trail will be intermittently closed to users during the project.

For more information contact Project Manager Bill Boston at 703-324-2710 or contact the Public Information Office at 703-324-8622 or online at Parkmail@fairfaxcounty.gov.
