## Ribbon Cutting Slated For Expanded Spring Hill RECenter

On Saturday, January 10, 2015, the public will share in the joy of renewal as county officials gather at Spring Hill RECenter to officially cut the ribbon and welcome members of the public. The ceremony begins at 10 a.m. Spring Hill RECenter, operated by the Fairfax County Park Authority, now offers the community wonderful amenities in an expanded, refreshed space. The RECenter is located at 1239 Spring Hill Road in McLean, Virginia.

This multi-phased project has already substantially increased the size of the facility and includes a two-story fitness center, a gymnasium with an elevated running track, new office space and utility upgrades. Substantial renovations throughout the facility include improvements to the locker rooms and upgrades to shower areas plus construction of five, family-changing cabanas.

Dranesville District Supervisor John Foust said, “It is exciting to celebrate the opening of this wonderful addition and renovation to Spring Hill RECenter. The community has wanted an indoor gym at Spring Hill REC for a very long time. I’m glad that Kevin Fay, our former Dranesville Park Authority representative, and I were able to develop and execute a plan to make it happen. I also want to thank the Park Authority staff, architects, engineers and contractors who designed and built a beautiful and very functional facility for our community.”

This is a \$10 million expansion funded by the 2008 and 2012 Park Bond programs. With the opening of the gym and fitness center, the public can now enjoy some of the benefits of the renovated facility. The final phase of the project, converting the old fitness room into three multipurpose spaces and renovating the lower hallway area, will be completed by March 2015. The RECenter opened in 1988.

On December 14, 2012, the Park Authority Board approved the FY 2013-FY 2015 Financial Sustainability Plan which included this project as a business growth initiative. For more information contact the Public Information Office at 703-324-8662.
