## Arrange a Hanging Succulent Garden at Green Spring Gardens

Want to turn your backyard into a flowery, beautiful, and lush garden? Then sign up for the Hanging Succulent Garden workshop at Green Spring Gardens Park! On Saturday, July 19, 2014, horticulturalist Judy Zatsick will help program participants learn how to make a wire mesh frame to grow and display tender succulent plants as a hanging garden or a tabletop display. Participants will get expert advice on constructing, designing, and planting the garden display. Please bring gloves.

The one-hour program will begin at 9:30 a.m. The cost is \$35 for county residents and \$37 for out of county participants. All participants must also pay a \$20 supplies fee.

Green Spring Gardens Park is located at 4601 Green Spring Road in Alexandria, Va.

This is just one of the many gardening programs at Fairfax County parks this summer.
