## Online Color Map Helps Hikers at Hidden Pond

Life just got easier for people who like to explore the 25 acres of Hidden Pond Nature Center. The Springfield, Va., park has a striking variety of hiking trails in a relatively small area, and now those trails are easier to navigate.

Hidden Pond has published an excellent online color trail map that shows the park layout, surrounding roads, significant park structures, park trails and their length, approximate hiking times, and whether the trails are blazed, unmarked, natural or paved. Each trail on the map is highlighted by a distinct color that makes the map easy to read and follow, and the park's significant buildings and natural areas are clearly identified.

If you're looking for something longer than Hidden Pond's longest trail, which is just over a mile in distance, remember that Hidden Pond's trails connect to the 700 acres of Pohick Stream Valley Park.

Take a peek at the park/trail map on Hidden Pond's website at [www.fairfaxcounty.gov/parks/hidden-pond](http://www.fairfaxcounty.gov/parks/hidden-pond). You can download and print color copies of the map. Hidden Pond has printed black-and-white versions of the map at the park's nature center.

Hidden Pond Nature Center is at 8511 Greeley Blvd. in Springfield, Va. For more information, call 703-451-9588.
