## Field Improvements at Grist Mill Park to Begin

The Fairfax County Park Authority will start construction at Grist Mill Park on athletic field five, converting the existing natural grass field to synthetic turf. The project includes installation of storm drainage systems, as well as fencing, bleachers and goals as well.

Construction is anticipated to begin mid-June and the contractor, FieldTurf USA, Inc., will be moving onsite. Construction access to the site will be from Mt. Vernon Memorial Highway to the main park entrance. Project completion is anticipated in early September 2015.

This \$1.1 million project is funded through voter approved park bonds from the 2012 Park Bond program, and donated funds.

Grist Mill Park is a 75-acre local park located at 4701 Mt. Vernon Memorial Highway in Alexandria, VA. For information call Project Manager Charles Mends-Cole at 703-324-8640.
