## Meeting Set to Discuss Trail Improvements at Wakefield Park

In response to recommendations and suggestions offered by community members and trail users, the Fairfax County Park Authority is planning trail improvements of the Gerry Connolly Cross County Trail at Wakefield Park in Annandale, Va. A public meeting to discuss the project will be held at 7 p.m. on October 15, 2015 at Kings Glen Elementary School Cafeteria, which is located at 5401 Danbury Forest Drive in Springfield, VA.

The Gerry Connolly Cross County Trail is one of the most heavily used trails systems in Fairfax County. The Park Authority’s project includes paving approximately 7,800 linear feet of the trail in Wakefield Park between Braddock Road and Americana Park. The proposed route will follow the existing gravel trail, will be approximately eight to ten feet wide, and will be designed to minimize the impact to natural resources contained within the park. The Park Authority’s project team includes environmental and historic resource professionals who will be closely involved in the design process and will work to ensure that any impacts are limited.

For comments or questions about the project, please call Project Manager Bill Boston at 703-324-2710 or send email to [William.boston@fairfaxcounty.gov](mailto:William.boston@fairfaxcounty.gov).
