Phase II Construction Begins

Phase II Trail Improvements in Lake Accotink Underway

The Fairfax County Park Authority Phase II improvement project for the surface of the Gerry Connolly Cross County Trail in Lake Accotink Park is now underway. Construction will be taking place from the pedestrian bridge 150 feet south of Braddock Road to the pedestrian bridge on the trail connection from Danbury Forest Drive. This work will take approximately one month, depending upon the weather. The trail in this area will be closed to the public during this time.

Construction access to the site is from the Ellet Road entrance to the park and park patrons on the trail should be alert for construction traffic. Two additional construction phases are planned in the future and information regarding Phase III and IV will be released.

For your safety, please obey all signs.

For more information contact Project Manager Elizabeth Cronauer at 703-324-8629 or call the Public Information Office at 703-324-8662.
