GCCT Improvements in Lake Accotink Enter Phase III

Beginning today, Friday, November 13, 2015 the Fairfax County Park Authority project to improve the surface of the Cross County Trail in Lake Accotink Park will be starting construction on Phase III. The trail will be closed from the Ellet Road construction entrance to a point approximately 2,000 feet to the south (see map). This work will take approximately one month, depending upon the weather. Other project areas are open, although users should be alert for occasional construction traffic.

Phase IV will follow this construction and additional information regarding those activities will be posted online at <http://www.fairfaxcounty.gov/parks/trailsframe.htm#trail-development-projects>.

For your safety, please obey all signs.
