Sully Historic Site, the home of Richard Bland Lee, Northern Virginia’s first Representative to Congress is pleased to announce the second year of the Margaret C. Peck Youth Internship program, sponsored by the Sully Foundation, Ltd.

Juniors at Herndon, Chantilly and Westfield high schools in good standing and who have an interest in history are encouraged to apply for this paid, eight-month internship that runs from April through November 2015. Up to three interns will be hired. Participants will gain experience in museum operations, public speaking, historic object collections, event programming and museum store and visitor center operations.

Candidates must provide a completed application, written essay and teacher recommendations by February 20, 2015 for panel review. Candidates will be selected by mid-March.

This internship is named in honor of former Sully Historic Site administrator and Sully Foundation member, Margaret C. Peck.
