Park Gift Card Offers Unique Choices for Dad

Another pair of socks, aftershave or a tie may not make the man this Father’s Day. In fact, your Dad could be disappointed with another ordinary gift. However, the Fairfax County Park Authority may have the answer with a gift card that opens the door to fitness and adventure. Gift cards are easy to buy and can be used for a wide variety of activities such as classes, golf or an exciting trip. Gift cards may be purchased in any amount from \$20 and up.

The Park Authority wants to save you an extra trip so these gift cards can be purchased everywhere that programs and services are sold in the parks including all RECenters, golf courses, nature centers, historic sites, lakefront parks, Green Spring Gardens and Frying Pan Park.

Once you have the card, use it online to purchase classes and passes, or use it at sites to purchase golf rounds and passes, visit the driving range and pro shop, day trips, historic tours, ice skating, personal training services or a host of other programs. Consider a fishing class or kayak trip at Riverbend Park. Soak up the past at Colvin Run Mill or get in shape at a RECenter. The Water Mine would make a great family trip and they accept these cards as well. Or play a round or two of mini-golf with the family.

This could be exactly what Dad was looking for and it’s so easy to purchase. For more information please visit online at www.fairfaxcounty.gov/parks/giftcards.
