Construction to Begin on Trail in Lake Accotink Park

The Fairfax County Park Authority will begin construction on a project to repair and pave approximately 5,500 linear feet of the Cross County Trail in Lake Accotink Park with asphalt and/or concrete (see attached map).

The contractor, Accubid Construction Services, Inc., will be mobilizing on site on or about May 25, 2015. Access to the site will be from the Ellet Road entrance to the park. The total construction will take approximately four to six months, depending upon the weather.

Residents should expect occasional construction traffic with equipment and materials through the Ravensworth subdivision and construction equipment on the trail during the construction period. As a safety precaution, sections of the trail will be intermittently closed to users during the project and signs will be posted at adjacent trail heads accordingly.

For more information about the project contact the project manager at Elizabeth.Cronauer@fairfaxcounty.gov or by phone at 703-324-8629.
