Volunteers Needed for South Run Planting Day

Volunteers are needed on Thursday, September 17, 2015 to help add plants to a meadow at South Run District Park that was designed to reduce runoff and nutrients from the site.

Adults and supervised teens are invited to join Fairfax County Park Authority staff from 9 a.m. to noon to plant plugs that will provide additional color, structure and habitat to improve the overall look of the meadow. Be sure to dress for the weather, and be ready to work in pants, work boots and work gloves. Don't forget a hat, sunblock, bug spray and water. Bring a hand trowel, if you have one.

South Run District Park is located at 7550 Reservation Dr, Springfield, VA – on the Fairfax County Parkway between Lee Chapel Road and Huntsman Boulevard. For more information, contact Charles Smith at the Fairfax County Department of Public Works and Environmental Services at 703-324-2467.
