## Work To Begin on Towers Park Metro Connector Trail

The Fairfax County Park Authority will soon begin work on approximately 425 linear feet of ADA accessible asphalt trail in Fairfax, VA. The trail will connect the existing Gerry Connolly Cross County Trail in Towers Park with the pedestrian improvements to be completed by the Virginia Department of Transportation at the intersection of Vaden Drive and Lee Highway.

Contractor Southern Asphalt is expected to begin construction activities within a week and complete the work by the end of May. The trail is expected to open for public use on June 1, 2016. Residents and trail users should expect occasional construction traffic entering and exiting the site from the curb cut at the trailhead on Lee Highway. Trail users can expect occasional inconveniences when trucks or equipment are entering or exiting the site.

The \$201,500 project is designed to significantly improve pedestrian safety. It is being funded by the Fairfax County Department of Transportation.

For more information, please contact the Project Manager, Melissa Emory at [Melissa.Emory@fairfaxcounty.gov](mailto:Melissa.Emory@fairfaxcounty.gov) or 703-324-8752.
