## Park Authority Employee Named Director of Park Operations

Effective August 6, 2016, Todd Brown, a 24-year employee with the Fairfax County Park Authority, will begin service as the Director of the Park Operations Division. Brown leaves his current post as the Resource Management Division Site Operations Branch Manager to manage this division, which is charged with the maintenance of Park Authority parks, fields, various facilities, trails and other park system assets. Brown succeeds Park Operations Director Todd Johnson who is now the Golf Enterprises Division Manager.

Brown began his career with the Park Authority as a Maintenance Trade Helper at Frying Pan Farm Park. He was promoted first to Assistant Manager and later Park Manager at that site. As his responsibilities increased so did his ability to manage and Brown quickly ascended to Resource Management Division Site Operation Branch Manager.

Despite his increase in responsibilities he always found time to lead a variety of agency initiatives and teams including the Trailblazers employee award program, the development of equestrian standards, Springfest, the Historic Sites Volunteer Corps and the Alliance of American Museums Reaccreditation efforts.

Brown is a Certified Park and Recreation Professional, a member of the National Recreation and Park Association, Chair of the Northern Service Area of the Virginia Recreation and Park Society, a recipient of numerous awards, as well as a recognized speaker at professional conferences and gatherings. He has a Bachelor of Science in Business Administration.
