One Day Closure Announced

Audrey Moore RECenter to Close September 6 for Maintenance

Audrey Moore RECenter will close its doors on Tuesday, September 6, 2016 and reopen the next morning, September 7 at 5 a.m. The temporary closure, will allow for much needed maintenance on the facility’s boilers, which are being replaced, as well as the building’s air conditioning system. These repairs will greatly enhance the facility’s operating systems but in the short-term will result in no hot water and no air conditioning.

According to Park Services Division personnel, work on the boiler’s valves requires the boilers to be shut down, thus the facility will not have any hot water throughout the building. Per Health Department regulations, the swimming pool and the locker rooms cannot remain open if there is no hot water. Additionally, work on the water tower which is part of the air conditioning system will begin. The water tower will need to be shut down and therefore, there will be no air conditioning in the building.

Audrey Moore RECenter, operated by the Fairfax County Park Authority, is located at 8100 Braddock Road in Annandale, Va.

The Park Authority regrets the inconvenience to our customers. For more information please contact the site at 703-321-7081.
