Join the E. C. Lawrence Park Master Plan Revision

The Fairfax County Park Authority (FCPA) is seeking your input. As the Park Authority continues the process of revising the Ellanor C. Lawrence Park Master Plan, it is important to learn what matters most to residents of Fairfax County. Your opinions matter to us.

We realize that spare time is always at a premium, so with that in mind we have added an online survey to our outreach options for this planning process. We invite you to participate in our online survey. Help us understand how you use the park today and how you want the park to be in the future.

The new survey and information about this plan update can be found on the Ellanor C. Lawrence Park Master Plan project website at www.fairfaxcounty.gov/parks/plandev/eclawrence.htm.

Already, park planning staff has gained a great deal of insight from attendees at our June open house, comments received via email and conversations with residents. Your feedback is greatly appreciated. If you haven't shared your thoughts, there is still time! The survey will remain open through the winter while we draft the master plan.

A visit to the website will allow you to:

- Read the latest project updates, documents and meeting announcements.
- Learn about the rich natural, historic and recreational features of the park.
- Learn about the park master planning process.
- Provide your thoughts and suggestions through the online survey.
- Request e-mail and social media updates.

For more information, contact Project Manager Ryan Stewart at 703-324-8787 or call the Public Information Office at 703-324-8662.
