Share Your Thoughts on Facilities, Programming at Lake Accotink

The Master Plan for Lake Accotink Park is being updated, and as part of that process, the Fairfax County Park Authority will host a community workshop on Thursday, October 27, 2016, to help determine the kinds of facilities and programming the community finds most valuable.

Members of the public are invited to stop by Kings Park Elementary School between 7 and 8:30 p.m. to circulate among a variety of workshop stations. Participants can move at their own pace through a series of workshop stations that will help to clarify the types of facilities and programs they feel are most important. Participants should allow about 30 minutes to answer the workshop questions. Park Authority staff will provide a brief update on the overall project at 7 p.m.

Kings Park Elementary School is located at 5400 Harrow Way, Springfield, Va.
