Native Plant Sale to Support Riverbend Park

Shop for native plants on Saturday, April 30, 2016 at the Great Falls Grange Pavilion. The Friends of Riverbend Park will hold their annual spring sale from 8 to 11 a.m. that day. The Grange is located at 9818 Georgetown Pike in Great Falls, Va.

There will be a variety of plants native to Virginia that benefit our woodlands, fauna and waters. The indigenous wildflowers, such as bluebells, along with native trees, shrubs and ferns bring beauty and low maintenance to your yard, and their survival rate can be higher than that of non-natives.

Proceeds from last year's sale raised more than \$2,000 to support summer staff and educational programs at Riverbend Park.

More information about invasive plants is online at www.fairfaxcounty.gov/parks/resource-management/ima/. Information about Riverbend Park is at <http://www.fairfaxcounty.gov/parks/riverbend-park/>. For information about the plant sale, contact Tim Hackman at 703-759-6414.
