Become a Master Gardener with Training at Green Spring

Grow your love for gardening and help budding green thumbs by signing up for Master Gardener training at Green Spring Gardens.

The Master Gardener program provides intensive horticultural training to individuals who then give back to their communities by volunteering as Master Gardeners. These trained gardening experts may be called on to give lectures, lead garden tours, create gardens, conduct research or take part in many other plant-related projects.

Bi-weekly training will begin in the fall, but now's the time to learn if this program is right for you. Start down the path to becoming a Master Gardener by attending a free information session at Green Spring Gardens on Wednesday, May 25, 2016, from 10 a.m. to noon.

Green Spring Gardens is located at 4603 Green Spring Rd., Alexandria, VA. For more information, call 703-642-5173 or visit <http://www.fairfaxcounty.gov/parks/greenspring/>.
