Save Money by Saving Seed – Green Spring Shows You How

Harvesting your own seeds can be rewarding and save you money, but it takes a little planning and understanding. Get some tips at Green Spring Gardens on how to gather seed for future planting seasons.

Join horticulturist Judy Zatsick on Saturday, September 24, 2016, from 10:30 a.m. to noon to learn the basics of seed saving. Find out when and how to collect seed, and learn about cleaning, drying, labeling, and storing that seed. The workshop will also cover when to plant those seeds to get the best results. Get started by collecting seed from the gardens at Green Spring that you can take home.

This workshop is for adults. The cost is \$18 per person.

Green Spring Gardens is located at 4603 Green Spring Rd., Alexandria, VA. For more information, call 703-642-5173 or visit <http://www.fairfaxcounty.gov/parks/greenspring/>.
