## Learn to ID Trees and Poisonous Plants in Programs at Green Spring

Green Spring Gardens is offering two programs in October to help you put a name to some of the trees and dangerous plants in your midst.

First, enjoy the fall colors as you learn a little about tree identification. On Saturday, October 22, 2016, you can join the folks at Green Spring for a walk around the garden as you practice identification skills and admire the changing leaves. This program for adults runs from 10 to 11:30 a.m. The cost is \$18 per person.

Teens and adults are invited on a Poisonous Plants Garden Tour on Saturday, October 29 from 10 to 11:30 a.m. A Master Gardener docent will tell tales of wicked plants hiding in plain sight, revealing obvious culprits and some surprises. Learn what to weed out and what to keep. Afterward, enjoy refreshments at the Historic House, including edible flowers. The cost is \$12 per person.

Green Spring Gardens is located at 4603 Green Spring Rd., Alexandria, VA. For more information, call 703-642-5173 or visit <http://www.fairfaxcounty.gov/parks/greenspring/>.
