Class Descriptions

Please wear comfortable clothing and shoes that allow movement.

Basic Training

This class is a physically challenging workout - designed to tone and strengthen both body and mind, using a combination of calisthenics, floor exercises, and drills. It's the ideal workout for the intermediate to advanced exercise participant.

BODYPUMP™

Is the original, pre-formatted barbell class that strengthens your entire body. Challenge all of your major muscle groups by using the best weight room exercises. Choose your own weight level, listen to great music, and quickly get the results you desire!

Cardio Kick Mix

Punch, kick, and jab your way through an action-packed workout! Kickboxing patterns, cardio intervals, and core training are combined in this high-energy workout to give an intense calorie burn to all levels of participants.

Cardio Sculpt -This class will focus on cardiovascular exercise and body sculpting. A great way to stay in shape and beat the exercise boredom while introducing something new.

CXWORX™ based on scientific research cxworx is the ultimate way to get a strong core – 30 minutes of dynamic training that focuses on your abs, glutes, back & oblique's – improves functional strength and assists in injury prevention.

Cycle Challenge

This ride is a higher intensity, longer version (55 minutes) of Cycle Spin that will truly challenge your cardiovascular system and help improve endurance. The class is designed for fit individuals who want to take their spin workouts to another level.

Cycle Spin

This cycling class is great for all levels of fitness! The instructor will call cues for both beginning and experienced students. This invigorating class will allow the riders to judge for themselves how hard they feel like working. It's a terrific class for staying fit! Definitely bring a water bottle and towel to class. (45 minutes)

Indo Row

A unique indoor rowing class that uses water as resistance to stimulate the authentic feel and sound of being on the water.

Mix It Up

A total body conditioning workout that includes, warm-up, stretching, muscular strengthening, endurance, joint integrity, and total body toning. Dumbbells, bands, and body bars may be used. All levels welcome.

Pilates

A great beginner class that teaches fundamental concepts and basic movements of Pilates and may incorporate props. All levels welcome.

PiYo

A strength fusion style format that incorporates Pilates and Yoga for a total body workout.

Pure Stretch

Work on flexibility- a much needed and often overlooked component of overall fitness- in a class which focuses on stretching every major muscle group for stress and pain reduction as well as injury prevention.

Row Fusion

Start your day with a splash. A combination of core exercises and indoor rowing provides an awesome total body workout. All levels welcome – bring water and a towel.

Tai Chi Basics

Ever wonder what “Tai Chi” is? Did you know it can help your posture, calmness, and overall body sense? Did you know it can build strength? Come and try it out. No pressure, just learning in a “giving environment.”

Yoga

In this beginner class to teach newcomers the fundamental concepts of yoga, basic postures and breathing techniques will be practiced. This class is excellent preparation for the Hatha Level I class. Please bring a sticky yoga mat to class.

Zumba - Exercise your body and energize your soul as you get down with energetic Latin music, rhythms, and dance moves.
