Agility training

This class uses drills to help you learn to move in different directions which helps improve coordination, movement and performance.

Adaptive Pilates

This class modifies Pilates fundamentals, exercises and sequences for a slower paced practice with accommodations for people with disabilities or other health considerations.

Barre Techniques- Learn the secrets of a ballet body workout. Barre training is the hottest new fitness class for a ballet buff body. This techniques class will prepare you for our registration classes using the Barre workout method. Once you master the fundamentals, you will be ready to get the most out of Barre.

Balance Training- this class can help you improve coordination, balance and performance while reducing injury risk using fitness tools specifically designed to help improve balance.

Basic Training This class is a challenging workout with design to tone and strengthen both body and mind, using a combination of calisthenics, floor exercises and drills. It's the ideal workout for kids/family (Sunday) and the intermediate to advanced exercise participant who wants to mix things up.

- is the original barbell class that strengthens your entire body. Challenge all major muscle groups by using weight-room exercises, like squats, presses, lifts and curls. Great music, awesome instructors and your choice of weight inspire you to get the results. To see a complete list of BodyPump registration (fee-based) classes visit www.fairfaxcounty.gov/parks

Punch and kick your way to fitness, burning lots of calories. This high-energy martial-arts inspired workout is totally non-contact with no complex moves to master. A LES MILLS™ instructor will challenge you to up the intensity and motivate you to make the most of every round. Release stress, have a blast and feel like a champ.

Body Sculpting A lighter total body workout open to all levels of participants, this class focuses on general muscle conditioning using a variety of equipment.

Cardio Sculpt- This class focuses on cardiovascular exercises with small segments of body sculpting interwoven throughout for variety. What a great way to stay in shape and beat exercise boredom while introducing something new to your current workout.

Core Conditioning- This class emphasizes sculpting and strengthening the trunk with its major muscle groups- feel your abs, glutes, hip, back and chest muscles like never before!

Cycle Spin- Come join indoor cycling and get rolling! It's an invigorating workout great for everyone, allowing riders to work at their own pace, whether beginner, intermediate, or advanced. Water bottle and towel are necessary.

Dance Flow Discover the dancer inside yourself with this fun workout for body, mind, and spirit. You will enjoy being led on a movement journey through both world and popular music to inspire passion and joy in everyone! No dance experience is necessary.

Gentle Aerobics

Take a class that is easy on the joints. Low impact aerobics offers an exciting, moderate intensity workout without any jumping-great for anyone and everyone! This class may include light body sculpting with hand weights or floor work.

Kickboxing Learn skills needed to ensure your confidence and success in any kickboxing class. Kicks and punches will be demonstrated and practiced with modifications.

Mix It Up- Fight fitness boredom and get out of that exercise rut with a class that mixes cardiovascular training, body sculpting, and stretching. Check out all the different fitness equipment. All levels of fitness enthusiasts welcome.

Pilates A beginner to intermediate class that teaches fundamental concepts and basic movements of Pilates and may incorporate props. All levels welcome.

Power barbell training Use a plate loaded bar to develop core, balance, symmetry and muscle definition like never before. Use light weights and high reps for a great effective workout.

Pure Stretch Work on flexibility- a much needed and often overlooked component of overall fitness- in a class which focuses on stretching every major muscle group for stress and pain reduction as well as injury prevention.

Senior Chair Fitness- Try this seated class with strength exercises and flexibility. Work coordination and just have fun.

Senior Yoga A beginner class that's slower and gentler to teach the fundamental concepts of yoga, basic postures and breathing techniques will be practiced. This class is excellent preparation for the Hatha Level I class. Please bring a sticky yoga mat to class.

Step Challenge

Pick up the pace a bit! This beginner to intermediate step class offers creative, slightly more challenging step combinations to provide an exciting workout for the mind and the body.

Tai Tai Chi Basics Learn the ancient art and practice of Tai Chi in a giving environment. You will be guided through a series of flowing movements to improve posture, build balance, and to increase mental and physical strength. All fitness levels are welcome, as this class is excellent preparation for Tai Tai Chi I.

Walleyball This awesome sport adds a whole new dimension to the exciting game of volleyball. Featured in a racquetball court, with the element of surprise as an ordinary volley can go a whole new direction.

Yoga In this beginner class to teach newcomers the fundamental concepts of yoga, basic postures and breathing techniques will be practiced. This class is excellent preparation for the Hatha Level I class. Please bring a sticky yoga mat to class.

Exercise your body and energize your soul in this exciting aerobics class format. Tone up as you get down with energetic Latin music, rhythms and dance moves.
