

Thanks to Mid Atlantic Off Road Enthusiasts (MORE), the long, arduous process of planning, permitting, and approving the project is done. It has stalled for a year due to a lack of funding.

Because of a generous donation from one of it's members & former Trail Liaison for Mt. Vernon District Park, **Bergrad Trails**, contracted to build the trail, is creating the new trail and eliminating the old, unsustainable network of social trails.

Now that the real work is over, it's up to us to do the finishing work and to maintain the trail. What we have been given is a gem; come help polish this gem and keep it a gleaming new addition to our neighborhood!

**Mt. Vernon RECenter, in conjunction with MORE, is hosting a
