Park Improvement Fund

- Funded primarily by:
 - Net revenue transfers from the Park Revenue & Operating Fund at year end, if available
 - Telecommunications (monopoles) fees
 - Easements
 - Proffers
 - Grants
- The Park Authority Board has fiduciary authority
- Funds are to be used for capital improvements and development projects at revenue generating facilities

General County Construction Fund

- Funds are appropriated by the Board of Supervisors to be used for critical routine and special maintenance work and repair which is essential for the safe and efficient operation of County facilities.
- Specific funds are generally appropriated only when the Board of Supervisors approves specific construction projects or other major maintenance type uses.

Park Authority Bond Construction Fund

- Funds are to be used for:
 - Land Acquisition and Open Space Preservation
 - New Park Development
 - Park Renovations and Upgrades
 - Natural and Cultural Resource Stewardship
- The County pays the debt payment for the bonds and the proceeds fund the construction projects.
- Bonds are voted on by the County residents.
- The County defines the annual cash available based on bond sales.
- The Park Authority Board authorizes the funding and implementation schedule for each project.
- Funds may not be used for daily operating cost of the Park Authority.

Current Donation Process:

How are donations transferred from the Park Foundation or a donor to the Park Authority, how does the Park Authority manage donations, and how can Friends access the donations?
