

FS-V15-16 – EXTENET SYSTEMS, 8504 FORT HUNT ROAD (+22 addl. Locations)

Decision Only During Commission Matters

Commissioner Flanagan: I have another “feature shown” application on the agenda tonight listed as FS-V15-...

Chairman Murphy: 16.

Commissioner Flanagan: 16. In the, in the 2232 application ExteNet Systems, on behalf of Verizon Wireless, asked permission to locate 18, no 23 antennas on top of 23 replacement utility poles located in the electrical utility easements in that part of Mount Vernon District north of Fort Belvoir. As such, the intent is to satisfy the “feature shown” guidelines policies on pages 37-48 of the Public Facilities section of the Policy Plan. I concur with staff’s conclusion and the new antenna locations by ExteNet/Verizon Wireless, is substantially in accord with the recommendations of the adopted Comprehensive Plan and should be considered a “feature shown”. I THEREFORE MOVE THAT THE PLANNING COMMISSION FIND APPLICATION FS-V15-16 MEETS THE CRITERIA OF LOCATION, CHARACTER AND EXTENT, AS SPECIFIED IN SECTION 15.2-2232 OF THE *CODE OF VIRGINIA*, AS AMENDED.

Commissioner Hedetniemi: Second.

Chairman Murphy: Seconded by Ms. Hedetniemi. Is there a discussion of the motion? All those in favor of the motion to concur with the “feature shown” determination in FS-V15-16, say aye.

Commissioners: Aye.

Chairman Murphy: Opposed? Motion carries.

Commissioner Sargeant: Chairman, abstains same as...

Chairman Murphy: And same abstention, Mr. Sargeant abstains.

//

(The motion carried by a vote of 11-0-1 with Commissioner Sargeant abstaining.)
