

Planning Commission Meeting
January 7, 2010
Verbatim Excerpt

FS-V09-173 – AT&T (NEW CINGULAR WIRELESS), 2501 Parkers Lane

During Commission Matters

Commissioner Flanagan: We also have another application this evening from New Cingular Wireless, which is a function of AT&T Mobility, to collocate nine panel antennas on the penthouse wall of the Mount Vernon Inova Hospital. On file is a Zoning Evaluation Division staff report that concludes that New Cingular Wireless application is in substantial conformance with the development conditions approved by the Board of Supervisors for the hospital. I have reviewed the “feature shown” request and therefore MOVE THAT THE PLANNING COMMISSION CONCUR WITH STAFF THAT APPLICATION FS-V09-173 BY NEW CINGULAR WIRELESS, AT&T MOBILITY, TO COLLOCATE A TELECOMMUNICATIONS FACILITY AT 2501 PARKERS LANE, IS SUBSTANTIALLY IN ACCORD WITH THE PROVISIONS OF THE ADOPTED COMPREHENSIVE PLAN AND SHOULD BE CONSIDERED A “FEATURE SHOWN,” PURSUANT TO VIRGINIA CODE SECTION 15.2-2232, AS AMENDED.

Commissioner Litzenberger: Second.

Parliamentarian de la Fe: It’s been moved and seconded. Any discussion? All those in favor, please signify by saying aye.

Commissioners: Aye.

Parliamentarian de la Fe: Opposed? Motion carries.

//

(The motion carried unanimously with Commissioners Alcorn, Donahue, Harsel, and Murphy absent from the meeting.)
