S11-CW-6CP – COMPREHENSIVE PLAN AMENDMENT (EDITORIAL UPDATES)

After the Close of the Public Hearing

Acting Chairman Hall: Okay, I close the public hearing and turn to Commissioner Hart.

Commissioner Hart: Thank you, Madam Chairman. First, let me thank the speaker for coming out this evening and I want to thank all the staff people for – that are here – for their work on this. I think everyone recognizes with a staff report of this length and the number of changes and comments that have been suggested – it would help to have just a little more time to – to vet this. And I think on a project like this, also, the – the process benefits from the collective wisdom and experience of the Commission, having more sets of eyes look over this – in particular, the sections with which each of you may be most familiar. Having said that, please – if you can – get any remaining editorial comments to staff at your earliest opportunity. And I'm going to arbitrarily say noon on Monday. My intention was going to be to defer this for a week and revisit this and if we had to, bump it again because of something else. And we've been getting citizen comments sort of dribbling in over the last few days, but I want to try and catch all the fish in the net. But at some time, we have to stop editing and get something ready to send to the Board. So if there are more comments, please – then if we can still deal with noon on Monday in order to vote on this next week, I don't want to be handing out things the night of the vote and then have more confusion over that, but – if you would please cooperate on that. And with that, Madam Chairman, I would MOVE THAT THE PLANNING COMMISSION DEFER DECISION ON PLAN AMENDMENT S11-CW-6CP TO THE DATE OF JANUARY 17, 2013, IN ORDER TO REVIEW THE ADDITIONAL COMMENTS ON PLAN AMENDMENT S11-CW-6CP, EDITORIAL UPDATES DOCUMENT DATED JANUARY 10, 2013, THE SECOND ITERATION OF THAT, AND THE COMMENTS SUGGESTED AT THE PUBLIC HEARING.

Commissioner Sargeant: Second.

Acting Chairman Hall: We have a second. All in favor?

Commissioners: Aye.

Commissioner Hart: We have to discuss.

Acting Chairman Hall: Oh, discussion? All in favor?

Commissioners: Aye.

Acting Chairman Hall: Good, that moves.
