SE 2011-MV-012 – REDPATH DEVELOPMENT, LLC

After the Close of the Public Hearing

Vice Chairman Alcorn: Close the public hearing; recognize Commissioner Flanagan.

Commissioner Flanagan: Thank you, Mr. Chairman. The - I came to the conclusion that - before the meeting started that there was not going to be any issues raised that would - of further concern, but surely the testimony of the secretary of the organization has not been, you know, contradicted with any kind of written evidence. And I would prefer to secure that before taking final action - moving a final decision on this. We do have the recommendation of the staff. I have that, recommending approval. That has been confirmed unanimously by the Mount Vernon Land Use Committee and also by the Mount Vernon Council. I'm satisfied that those actions are complete. But I want to know a little more about the decision of the New Alexandria Citizens Association as well. So for that reason, I MOVE THAT THE PLANNING COMMISSION DEFER DECISION ONLY ON SE 2011-MV-012 TO A DATE CERTAIN OF MARCH 8.

Commissioners Lawrence and Litzenberger: Second.

Vice Chairman Alcorn: Seconded by Commissioners Lawrence and Litzenberger. All those in favor of deferring decision only on SE 2011-MV-012 to a date certain of March 8, 2012, with the record remaining open for comment, please say aye.

Commissioners: Aye.

Vice Chairman Alcorn: All opposed? That motion carries.

(The motion carried unanimously with Commissioner Murphy absent from the meeting.)
