FAIRFAX COUNTY ADVERTISED CAPITAL IMPROVEMENT PROGRAM (CIP)

Decision Only During Commission Matters
(Public Hearing held on March 20, 2014)

Commissioner Sargeant: Mr. Chairman, thank you very much. We have had diligent discussions with regard to this year's CIP. And I want to begin by thanking the many department and agency officials who presented an overview of their CIP budgets. We had a late night for some and we appreciated their patience and their diligence in the process. I would also like to thank the CIP team who brought everything together for us – in particular, Martha Reed, the County's Capital Programs Coordinator. She brought all the data together us and provided guidance throughout the numerous CIP reviews. I would also like to thank Joe LaHait, the County's debt manager, for his insight during the process, as well as Teresa Lepe and – with the Department of Public Works and Building Design Branch – and Dennis Holder as well. And with that, Mr. Chairman, I MOVE THAT THE PLANNING COMMISSION RECOMMEND APPROVAL OF THE FY 2015 THROUGH 2019 ADVERTISED CIP, AS PROPOSED.

Commissioner Hart: Second.

Chairman Murphy: Seconded by Mr. Hart. Is there a discussion of the motion? All those in favor of the motion, say aye.

Commissioners: Aye.

Chairman Murphy: Opposed? Motion carries. And I would like to echo Mr. Sargeant's thanks to Martha and her crew and all those from the staff and the workshop who took part in this process.
