FS-B11-2 – LIGHTSQUARED, LP, 7920 Woodruff Court

During Commission Matters

Commissioner Harsel: Yes, and I - - one of the reasons - - I have a "feature shown," and one of the reasons I am back tonight is because the applicant is LightSquared, but the gentleman that was handling it is Mike Hamilton, and I appreciate very much Mr. Hamilton. This was due at one time while I was gone and he agreed to defer it until I got back to move on it myself. And I really appreciate it. Counter to AT&T that wouldn't budge, and you had to do that one.

Chairman Murphy: I hope I did it all right though.

Commissioner Harsel: I didn't even know what you did, but anyway. Mr. Chairman, "Feature Shown" B11-2 by LightSquared, is to add additional things to a monopole at 7920 Woodruff Court, and it's off of Ravensworth Shopping Center up there. And I MOVE THAT THIS IS IN CONFORMANCE WITH THE COMPREHENSIVE PLAN; it shows character because there are five other carriers on this; the location is on a monopole that has five other carriers; and the extent, we're just extending what's there. So, I MOVE THE PLANNING COMMISSION APPROVE "FEATURE SHOWN" B11-2.

Commissioner de la Fe: Second.

Chairman Murphy: Seconded by Mr. de la Fe. Is there a discussion of the motion? All those in favor of the motion to concur with the "feature shown" determination in FS-B11-2, say aye.

Commissioners: Aye.

Chairman Murphy: Opposed? Motion carries.

(The motion carried unanimously with Commissioner Alcorn not present for the vote; Commissioners Flanagan and Hall absent from the meeting.)
