2232A-M01-16-1 – AT&T MOBILITY, 7212 Early Street

During Commission Matters

Commissioner Hall: Thank you, Mr. Chairman. I'm sorry for the false start on this amendment to 2232-M01-16-1. Commissioner Donahue had some concerns on first reading it that maybe this wasn't the appropriate vehicle to review this application. And after looking at it and refreshing my memory, I don't have any problem with moving it this evening. The application was initially reviewed and approved many years ago for the same height. It's a matter of not - - of changing some of the antenna sizes, but there will be no change to the pole. There will be no change to the equipment area. And it's extremely difficult to see this because of all the trees around it. So with that said, I MOVE THAT THE PLANNING COMMISSION confirm – or APPROVE THAT THE AMENDMENT 2232A-M01-16-1, PROPOSED BY AT&T MOBILITY TO THE PREVIOUSLY APPROVED TELECOMMUNICATIONS FACILITY LOCATED AT BROYHILL CREST RECREATION CLUB, LOCATED AT 7212 EARLY STREET, IS SUBSTANTIALLY IN ACCORD WITH THE RECOMMENDATIONS OF THE ADOPTED COMPREHENSIVE PLAN AND THEREFORE SHOULD BE CONSIDERED A "FEATURE SHOWN" PURSUANT TO *VIRGINIA CODE* SECTION 15.2-2232, AS AMENDED.

Commissioner Lawrence: Second.

Vice Chairman Alcorn: Seconded by Commissioner Lawrence. Any discussion of that motion? All those in favor, please say aye.

Commissioners: Aye.

Vice Chairman Alcorn: All opposed? That motion carries.

(The motion carried unanimously with Commissioners de la Fe and Murphy absent from the meeting.)
