APR 09-IV-13MV – SOUTH COUNTY AREA PLANS REVIEW (APR) 527 ITEM  
(Mount Vernon District Campus)

After Close of the Public Hearing

Vice Chairman Alcorn: Public hearing is closed; Commissioner Flanagan.

Commissioner Flanagan: Thank you, Mr. Chairman. The staff, the nominators, and the Inova Hospital team have met numerous times in an effort to develop Comprehensive Plan text that balances the expansion needs of the Hospital while ensuring that the impacts to the surrounding neighborhoods are minimized. I'd like to commend the staff, the nominators, and the Mount Vernon Inova Hospital team for their efforts, but as you can imagine by the testimony tonight, there are a number of complicated issues associated with this nomination. Since there are still issues that need to be resolved, I would like to allow more time for staff and the Inova team to develop language that is acceptable to both parties and the nominators. Therefore, I MOVE THAT THE PLANNING COMMISSION DEFER THE DECISION FOR NOMINATION 09-IV-13MV TO THURSDAY, JUNE 16, 2011.

Commissioner Sargeant: Second.

Vice Chairman Alcorn: Seconded by Commissioner Sargeant. Any discussion on that motion? All those in favor of deferring decision only on APR Item 09-IV-13MV to a date certain of June 16, 2011 for decision only, please say aye.

Commissioners: Aye.

Vice Chairman Alcorn: All opposed? That motion carries. Thank you very much, Mr. Flanagan. Thanks, folks for coming out and addressing us tonight on this.

(The motion carried unanimously with Commissioners de la Fe and Murphy absent from the meeting.)
