

Planning Commission Meeting
May 26, 2011
Verbatim Excerpt

FS-P11-22 – AT&T MOBILITY, 7115 Leesburg Pike

During Commission Matters

Commissioner Lawrence: And now I have a “feature shown.”

Vice Chairman Alcorn: Mr. Lawrence, please.

Commissioner Lawrence: This is FS-P11-22 by AT&T Mobility at 7115 Leesburg Pike. It’s on an existing building, an office building, which already has some panel antennas on it. They’re going to put some more, and by the photo-simulations, there is a screening wall so that you can’t see the antennas which, to me, is an ideal solution for rough mounted antennas. Therefore, Mr. Chairman, I MOVE THAT THE PLANNING COMMISSION CONCUR WITH STAFF’S DETERMINATION AND FIND THAT THE PROPOSED TELECOMMUNICATIONS FACILITY AT 7115 LEESBURG PIKE IS A “FEATURE SHOWN” OF THE COMPREHENSIVE PLAN PURSUANT TO SECTION 15.2-2232, AS AMENDED.

Commissioner Sargeant: Second.

Vice Chairman Alcorn: Seconded by Commissioner Sargeant. Any discussion of that motion? All those in favor, say aye.

Commissioners: Aye.

Vice Chairman Alcorn: All opposed? That motion carries.

//

(The motion carried unanimously with Commissioners de la Fe and Murphy absent from the meeting.)
