FS-M09-21 – CRICKET COMMUNICATIONS, 6129 Leesburg Pike

During Commission Matters

Commissioner Hall: Thank you, Mr. Chairman. This is going to be a fun evening. I have on brand new contact lenses and I - - they were fine all day, but I think it's getting kind of close here, so if I screw this up, please apologize - - I apologize in advance. We have a "feature shown" in the Mason District. The "feature shown" number is FS-M09-21, from Cricket Communications. They are wanting to locate a telecommunications facility on top of the Munson Hill Apartments, located at 6129 Leesburg Pike. It appears they're in conformance with all of our design criteria that we established to make these things blend in and go away. So therefore, I RECOMMEND THAT WE CONCUR WITH THE DETERMINATION TO APPROVE THIS "FEATURE SHOWN," SUBJECT TO THE ADOPTED COMPREHENSIVE PLAN, AND THAT IT SHOULD BE CONSIDERED A "FEATURE SHOWN" PURSUANT TO *VIRGINIA CODE* SECTION 15 - - .2-2232, AS AMENDED. You'd think I would remember that number.

Vice Chairman Alcorn: Is there - - that motion's made. Is there a second?

Commissioners Lusk and Lawrence: Second.

Vice Chairman Alcorn: Seconded by Commissioners Lusk and Lawrence. Any discussion? All those in favor of approving "feature shown" FS-M09-21, please say aye.

Commissioners: Aye.

Vice Chairman Alcorn: All those opposed? That motion carries.

Commissioner Hall: Thank you, Mr. Chairman.

Vice Chairman Alcorn: You are welcome.

(The motion carried unanimously with Commissioners Harsel and Murphy absent from the meeting.)
