SEA 91-M-018 – DONG S. AND VO L. NGUYEN

Withdrawal During Commission Matters
(Public Hearing held on June 12, 2008)

Commissioner Hall: We had a Special Exception Amendment number 91-M-018 – Dong Nguyen and I wish to announce that case has been withdrawn. We did have a public hearing; however, I understand there is some discussion in the family, if this is the right way to go. And I will assure Commissioner Hart it had nothing to do with what we said. So, they have withdrawn that application. I don't believe we have a vote on that. They've just done it. I accept it.

Chairman Murphy: Without objection, we accept the withdrawal of SEA 91-M-018.
