

Planning Commission Meeting
September 14, 2011
Verbatim Excerpt

FS-H11-25 – NEW CINGULAR d/b/a AT&T and VERIZON, 11975 Lake Newport Road

During Commission Matters

Commissioner de la Fe: Madam Chairman?

Secretary Harsel: Mr. de la Fe.

Commissioner de la Fe: Madam Chairman, I have - - since it's on the agenda, I'll do the "feature shown." It is FS-H11-25. It is for Cingular Wireless and Verizon - - actually it's AT&T Mobility and Verizon. I don't know why it says - - oh, doing business as AT&T and Verizon, at 11975 Lake Newport Road. We had approved a similar - - a facility at this location a couple of years ago; however, Verizon - - or not Verizon - - Dominion decided that they wanted to put their static pole slightly - - in a slightly different place than what was originally approved. Therefore, we had to go through the whole process again. And this is located at a Dominion Virginia Power substation on Lake Newport Road, and the static pole is being put up, not for telecommunications, but for Dominion's needs and - - but, it can be used for wireless communications. Therefore, Madam Chairman, I MOVE THAT THE PLANNING COMMISSION FIND THAT THE TELECOMMUNICATIONS FACILITY CO-LOCATION PROPOSED BY AT&T MOBILITY AND VERIZON WIRELESS, located at - - LOCATED ON A DOMINION VIRGINIA POWER SUBSTATION STATIC POLE NEAR STUART ROAD AT 11975 LAKE NEWPORT ROAD, IS SUBSTANTIALLY IN ACCORD WITH THE RECOMMENDATIONS OF THE ADOPTED COMPREHENSIVE PLAN, AND SHOULD BE CONSIDERED A "FEATURE SHOWN" PURSUANT TO *VIRGINIA CODE* SECTION 15.2-2232, AS AMENDED.

Commissioner Hart: Second.

Secretary Harsel: Seconded by Mr. Hart. Is there any discussion? All those in favor, signify by saying aye.

Commissioners: Aye.

Secretary Harsel: Opposed? Motion carries unanimously.

Commissioner de la Fe: Thank you very much.

//

(The motion carried unanimously with Commissioners Alcorn, Hall, Migliaccio, Murphy, and Sargeant absent from the meeting.)
