

Planning Commission Meeting
November 17, 2011
Verbatim Excerpt

FSA-V09-173-1 – AT&T MOBILITY, 2501 Parkers Lane

During Commission Matters

Commissioner Flanagan: Thank you, Mr. Chairman. Regarding agenda item FSA-V09-173-1, I concur with the staff's conclusion that the AT&T proposal in application FSA-V09-173-1 for the collocation of one additional rooftop-mounted antenna at 99 feet and two additional wall-mounted antennae at 91 feet, painted to match the existing antennae, and two additional equipment cabinets within the existing equipment room atop the Mount Vernon Inova Hospital at 2501 Parkers Lane, is substantially in accord with the recommendations of the adopted Comprehensive Plan and should be considered a "feature shown." I therefore MOVE THAT THE PLANNING COMMISSION FIND THAT THE APPLICATION, FSA-V09-173-1, SATISFIES THE CRITERIA OF LOCATION, CHARACTER, AND EXTENT, AS SPECIFIED IN *VIRGINIA CODE* SECTION 15.2-2232 , AS AMENDED.

Commissioner Litzenberger: Second.

Chairman Murphy: Seconded by Mr. Litzenberger. Is there a discussion of the motion? All those in favor of the motion to concur with the determination in FSA-V09-173-1, say aye.

Commissioners: Aye.

Chairman Murphy: Opposed? Motion carries.

//

(The motion carried unanimously with Commissioner Alcorn absent from the meeting.)
