SE 2010-DR-002 – DISTRICT OF COLUMBIA WATER AND SEWER AUTHORITY

After the Close of the Public Hearing

Chairman Murphy: Public hearing is closed; recognize Mr. Donahue.

Commissioner Donahue: Thank you, Mr. Chairman. Before I make the motion, I just want to note there have been more discussions, lots of good time spent on this application. I really do want to thank the applicant. I really go want to thank GFCA because the communications between the two groups has been excellent, and I think is going to ultimately lead to a project that is as well done as can be expected. There's going to be, and we regret certainly, the inconvenience that we're going to have for the homeowners in the area, but I think the applicant after due communications with the homeowners, is going to see to it that those inconveniences are kept to a minimum. I really want to thank Mr. Braham, who's come into kind of at the end so to help us coordinate us. I also want to thank Suzie Zottl, who is not here, she's off learning things in Chicago, I guess, this evening. But they have been very, very helpful as usual in the operations. And with that, Mr. Chairman, I MOVE THAT THE PLANNING COMMISSION DEFER THE DECISION ONLY FOR SE 2010-DR-002 TO A DATE CERTAIN OF DECEMBER 9, 2010.

Commissioners Alcorn and Lawrence: Second.

Chairman Murphy: Seconded by Mr. Alcorn and Mr. Lawrence. Is there a discussion of the motion? All those in favor of the motion to defer decision only on SE 2010-DR-002 to a date certain of December 9th with the record remaining open for comment, say aye.

Commissioners: Aye.

Chairman Murphy: Opposed? Motion carries.
