During Commission Matters

Commissioner de la Fe: Mr. Chairman, I have a "feature shown." It is in the -- it is FS-H09-148, Verizon Wireless. It is for an addition to an existing light pole at South Lakes High School Stadium. And it meets all of our requirements. And I MOVE THAT THE PLANNING COMMISSION CONCUR WITH THE DETERMINATION THAT THIS is -- SHOULD BE CONSIDERED A "FEATURE SHOWN" PURSUANT TO *VIRGINIA CODE* SECTION 15.2-2232, AS AMENDED.

Commissioner Hart: Second.

Chairman Murphy: Seconded by Mr. Hart. Discussion? All those in favor of the motion to concur with the "feature shown" determination in FS-H09-148, say aye.

Commissioners: Aye.

Chairman Murphy: Opposed? Motion carries.

Commissioner de la Fe: Mr. Chairman?

Chairman Murphy: Mr. de la Fe.

Commissioner de la Fe: I would like to say to the applicant in this case, the reason the Board of Supervisors extended the deadline on this until March 8th was because I'm sure staff was being very conscious of the fact that some of these things have not been approved as before the last meeting of the Board of Supervisors this year. So, they probably extended it all. I mean there was no problem with this. I just had meant to do it today rather than last week.
