FS-Y10-70 – UPPER OCCOQUAN SEWAGE AUTHORITY, Braddock Road & Old Lee Road

During Commission Matters

Commissioner Litzenberger: Thank you, Mr. Chairman. I have a "feature shown" on a sewer pipe in the Sully District. Mr. Chairman, I MOVE THAT THE PLANNING COMMISSION CONCUR WITH STAFF ON "FEATURE SHOWN" FS-Y10-70, WHICH IS THE REPLACEMENT OF A 30-INCH SEWER PIPE WITH A 36-INCH PIPE TO IMPROVE THE FLOW OF THE SYSTEM IN THE CUB RUN STREAM VALLEY. The work is limited to two properties, one of which is the Fairfax County Park Authority. The owners of both properties have consented to the work being done. This work is part of the same UOSA contract that was reviewed and approved under 2232-Y07-16. The location of the pipe replacement is by two bridges over the Cub Run stream; one on Braddock Road and one on Old Lee Road. When completed, there will be no change in the visual impact to what has already been approved. Thank you.

Commissioner Flanagan: Second.

Chairman Murphy: Thank you very much. Seconded by Mr. Flanagan. Is there a discussion? All those in favor of the motion to concur with the "feature shown" determination in FS-Y10-70, say aye.

Commissioners: Aye.

Chairman Murphy: Opposed? Motion carries.

//

(The motion carried unanimously with Commissioner Alcorn not present for the vote; Commissioners de la Fe, Hall, and Sargeant absent from the meeting.)
