SEA 85-S-109-02 – MEDICAL FACILITIES OF AMERICA XXIX (29) LP

After Close of the Public Hearing

Chairman Murphy: The public hearing is closed; recognize Ms. Harsel.

Commissioner Harsel: Thank you very much, Mr. Chairman. We did have a public meeting. It was when the electricity went out in March. We had one gentleman come to the meeting. He did not live in the town houses. But we do have problems with this. And now that the parking is in question and they're going to go to a shared parking, and that will take time. However, I wanted to go ahead and have the public hearing since we have been deferring this since May. So let's have the public hearing and get that over with. Therefore, Mr. Chairman, I MOVE THAT WE DEFER DECISION ON SEA 85-S-109-02 TO – and I do not have a date because we do not know how long it's going to take all this to come, SO AN INDEFINITE DEFERRAL AT THIS TIME, WITH THE RECORD REMAINING OPEN FOR COMMENTS FROM ANYONE ELSE. And Mrs. Detweiler, if anyone in your community has concerns, there are copies of the staff report at the Supervisor's office.

Commissioner de la Fe: Second.

Chairman Murphy: Seconded by Mr. de la Fe. Is there a discussion of the motion? All those in favor of the motion to defer decision on SEA 85-S-109-02 indefinitely, with the record remaining open for comment, say aye.

Commissioners: Aye.

Chairman Murphy: Opposed? Motion carries.

(The motion carried unanimously with Commissioners Flanagan, Hall, and Litzenberger absent from the meeting.)
