

**UNIFORM CRIME REPORT DATA**

**BY STATION**

**CALENDAR YEAR 2004**

The following pages detail Uniform Crime Report data by district station.

The figures presented here do not reflect organizational effectiveness in terms of number of crimes cleared. Rather, these figures reflect a fairly accurate estimate of Index offenses occurring within a given district station area. These offenses are sorted by patrol area of occurrence and allocated to the organization.

The total Index Crimes by station does not equal the number of Index Crimes County-wide due to a variety of factors, including cases reported directly to CIB.
