Neighborhood Watch – Help your community by participating in NW. We will review how to patrol and other topics.

Personal Safety for Women – This discusses situational awareness, it is not a physical self defense class, open to women only.

Business Watch – Crime prevention for your business, definition of crimes, how to report crimes, and observations skills.

Worship Watch – Crime prevention for your house of worship, definition of crimes, how to report crimes, and observations skills.

Civilian Response to Active Shooter Events – Situational awareness and how to respond if you find yourself in an active violence situation.

Kids in Today's Society - This presentation will discuss current trends in social media, narcotics, and mental health concerns in the teen population. We will provide some guidance in talking to them and finding resources.

Stop the Bleed - This one hour, hands-on course will help you to recognize life threatening bleeding and how to effectively control it with three quick techniques.

We also offer security surveys of your residence or business. The surveys are conducted by officers certified in Advanced Crime Prevention Through Environmental Design.
